

After a successful Oil & Gas Exhibition in 2016, Expogroup is all set for the 6th OIL & GAS AFRICA 2017 Exhibition which will be held from 11th – 13th April in Nairobi at the KICC and 16th – 18th August in Dar-es-Salaam at MCC.

The Exhibitions are an annual platform for national and international experts in the Oil & Gas industry to exchange views and share knowledge, expertise and experiences. The events also aim to explore areas of growth in petroleum technology, exploration, drilling, production and processing, refining, pipeline, transportation, petrochemicals, natural gas, LNG, petroleum trade, economics, marketing, research & development, information technology, safety, health and environment management in the oil & gas sector. As the prime showcase of East Africa's Oil & Gas sector, this mega events attract professionals, technologists, planners, policy makers, management experts and entrepreneurs to solicit their views in order to catalyze achievement of global energy security. It is expected that the event will attract over a 4200 delegates from around Africa, including engineers, technocrats, environmentalists and entrepreneurs.

### OIL & GAS AFRICA 2017:

OIL & GAS KENYA: 11th – 13th April – KICC, Nairobi, Kenya

OIL & GAS TANZANIA: 16th – 18th August – MCC, Dar es Salaam, Tanzania

Over the past ten years, Oil production has doubled in Africa and new routes have been created for the transportation of hydrocarbons to world markets. The development of the Oil and Gas industry will continue to have a positive effect on the pace of development of the non-oil sectors of Africa's economy. The successful development of the Oil and Gas industry plays an important role in improving the stability of the country's international and regional situation. The growth of production capacities and expansion of transport infrastructure is promoting greater cooperation between Africa and international Oil and Gas industry professionals. OIL & GAS Africa 2017 has become a traditional meeting for representatives of the international Oil and Gas community.
